AN OPEN LETTER.

A Chance For the Republicans-if they Want it.

JOHN D. KERSEY.

DEAR SIR :- I find in the Evening Tribune a Republican paper published in this city the statement that at the Empire meeting,-held by the Republican local candidates last week,-you stated to the audience that the assertion in the APPEAL, that the Silver men had run the county cheaper during the past two years than the Republicans, was false. I write to ask you if you will meet me on Monday evening at the Opera House in a public debate on this question, the conditions of this debate to be that if you succeed in proving by the records that the Silver party of Ormsby has disbursed more during its administration than the Republiean party did in the last two years of its administration in Ormsby, or proportionately to November 1st of 1892, the Silver Central Committee will withdraw its ticket from the field. If I succeed in proving to the contrary your Central Committee will withdraw the Republican county ticket from the field.

Please notify the Silver Central Committee by noon today if you are willing to accept the proposi. tion in behalf of the Republicans of Ormsby county.

Very respectfully,

SAM DAVIS.

P. S.-The Silver Central Committee will pay for the rent of the Opera House.

THE ISSUE IN ORMSBY.

There is but one issue before the people of Ormsby to be dechief by temorrow's election of article 4 of constitution, T are two tickets in the field, commend of old residents of Orms by county. It is nonsense to elaim that the personelle of one ticket is any better than the other-There is no man on either ticket who has not the ability to fill the office. Voters will there find friends and neighbors on both amendment No. 27, amenda tickets, men they have known 14, of art. 5 of constitution, business dealings with.

equal, the only question left in the mind of the voter is the one of county expenditures. The Silver party pledged the people reform and economy in the matter of county disbursements, and if they have kept their pledge, the party has a right to ask for another vote of confidence, if they amendment No. 29, amending sec. have failed to keep their pledges 17, of article 5 of constitution, the voters should repudlate the entire ticket at the polls.

The Appear has proved by : official figures that the cong disbursement under the Sliver mmendment No. 30, amending see rule have been nearly \$20,000 less than during the two prior years. On this lending issue the campaign has been fought, and on this issue it will be won. The figures are endorsed by the County Auditor. They are absolutely beyond dispute and as we of article 5 of constitution. have repeatedly said the Central | Committee will withdraw its ticket as soon as they disproved. If | 19, of article 5 of constitution. the taxpayers want a contination of these savings vote the Silver ticket.

An Efficient Officer-

elected District Attorney the office was a disgrace to Ormsby. He went in a young man and it was 21, of article 5 of constitution. predicted that by reason of his unexperience there would be bu few convictions.

He now has the office working like a clock and the following record of his work is submitted to the public. It is a record of the 22, of article 5 of constitution. work performed by him for 1894 up to Nov 1st:

Number of convictions Numder of acquittals

Number of dismissals Number of cases pending

Upon this record of efficiency it is needless to comment. Repubicans who think these figures are incorrect will cal! on Justice Hawthorne for a corroboration of this record.
